FOR THIRTEEN YEARS OF LOYAL SERVICE WE HEREBY DEDICATE THIS EDITION OF CENTURY TO MRS. MARION STAKAITIS

Mrs. Marian Stakaitis has spent thirteen years as secretary in the high school office. She performed many valuable functions and always made each person feel welcome and important. During her years at Kelloggsville Mrs. Stakaitis served as a class advisor, took care of all the hall and gym locks, assisted seniors with announcements and caps and gowns, made sure that graduation went smoothly, collected money for different fund raisers, and took care of eligibility and many other related athletic items.

Mrs. Stakaitis has been an inspiration to all she came in contact with. The demands of her job were great, but she always greeted people with a smile and pleasant voice. She never failed to lend a helping hand.

At the end of the school year Mrs. Staksitis was honored by the Kelloggsville Education Association with its annual award, "The Distinguished Service to Education Award."

For all that you have done the 1984 *Century* staff dedicates this yearbook to Mrs. Marian Stakaitis. Best wishes during your retirement. Come back and visit often.

STUDENT CONGRESS

Back: Nancy Ayuso, Janice Wymer, Helen Wu, Robert Hall — Board Rep., Kelli Harley, Tom Richer. **Middle:** Todd Tygensen, Christy Nevseta, Dean Conrad, Kim Slagter, Roger Nickels, Kim DeYoung, Brian Ericksen. **Bottom:** Dave Byrne, Jim Stortz — Vice Pres., Rick VanderWal — Tres., Greg VanHoven — Pres., Jim VanWagoner.

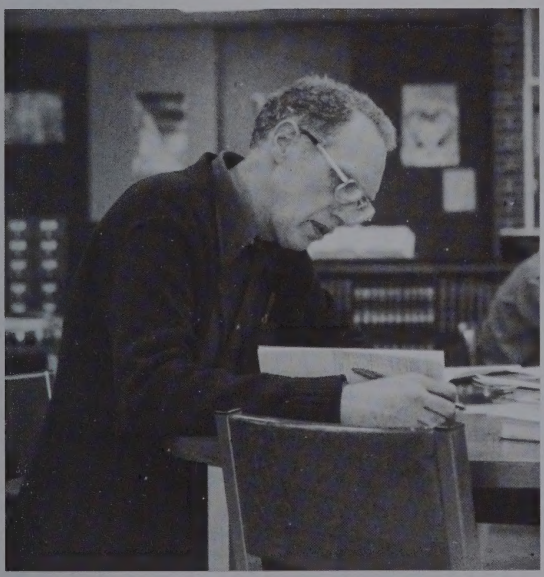
The Student Congress is an organization of 20 individuals representing the students of Kelloggsville High School. This organization functions under the guidance of Mr. Sisson, for the purpose of developing a better school and to promote good citizenship. Student Congress provides an opportunity for students to particpate in a worthwhile organization, as well as being a benefit to the entire student body.

This year under the leadership of Greg Van Hoven, Jim Stortz, Barb Mains, and Rick VanderWal the student congress helped raise money for a world-wide hunger organization, provided gifts for needy families during Christmas, produced the school play, donated money to the first ever senior party following graduation, and is sending Jim Stortz to leadership camp during the summer.

Advisor: Asst. Principal, Mr. Sisson.

CLOSE-UP GOES TO WASHINGTON

Top: Scott Peters, Marilyn Downer, Barry Gravenmyer, Bob Reneker. **Front:** Greg Vanhoven, Mr. Stephens, Robert Hall.



Mr. Stephens, pictured, along with Mr. Sisson were the Close-Up Advisors.

This years group of Close-up students, Tami Humphrey, Scott Peters, and Marilyn Downer, accompanied by Mr. Sisson, flew out of Grand Rapids on May 13th for one week of study in our nation's capital, Washington, D.C.

This experience is filled with the sights of our capital, but mostly centers on an in-depth look at the inner workings of a huge political machine. Briefings by lobbiests, congressmen, military officials all helped the group see the enormous amount of thinking and work that takes place in order to bring about changes in government and gave a new appreciation for the decisions that are made in Washington.

NATIONAL HONOR SOCIETY

Back: Brian Ensing, Tammy Plants, Jim Stortz, Rick VanderWal, Greg VanHoven, Grey Salisbury. **Front:** Becky Oakley, Bob Reneker.

The Kappa Sigma chapter of the National Honor Society was given a charter on October 21, 1942. The purpose was then and is now to distinguish the students who are good workers and are willing to serve, but who often receive no recognition for their faithfulness and loyalty.

Membership in the National Honor Society is first determined by scholarship. A student must have a 3.0 G.P.A. to be considered for membership. In addition, the student must possess good character, have the ability to lead others, and have served the school and community unselfishly.

NEW INDUCTEES — **Back:** Missy Herblet, Amy Hoffman, Todd Medendorp, Tom Snyder, Adam Myers, Don Smith, Scott Peters, Heidi Fehribach, Mrs. Gordon. **Front:** Jeni Crosby, Tom VanderLaan, Kim Menzel, Sung Pak, Suk Pak, Pam VanDyken.

DEBATE

Front Row: Adam Myers, Chris Ortega, Wendi Martin. **Back Row:** Rob Reneker, Coach Hoffman, Scott Peters, Mike Hintz.

After five years of finishing second in the O-K Gold league, the Kelloggsville Varsity Debate team finished first this year. The all senior squad of Rob Reneker, Scott Peters, Greg Van Hoven posted a 12-2 record. Greg Van Hoven also received some special recognition for his efforts. Greg was one of the top five speakers in the conference this season.

The team also competed in the Big Rapids tournament held at Big Rapids High School. There they compiled a 5-3 record and finished fourth.

SPANISH CLUB

The Spanish club, Los Cohetes, is a small but enthusiastic group of students who meet at least once a month. They held carnation sales which financed a spring dinner at Chi Chi's. They also purchased filmstrips for use in the classes of Spanish. A highlight of the year was the Christmas party when they made tacos and enjoyed a pinata filled with dulces.

YEARBOOK STAFF

Front: Becky Oakley, Kim DeYoung. **Middle:** Bob Reneker, Tammy Plants, Mary Ivie. **Back:** Jim Stortz, Greg VanHoven.

The Century staff this year did not consist of many people. The two editors were Robert Reneker and Jim Stortz. Neither one had ever worked on the yearbook before, but they both went to a summer workshop at Michigan State University last June.

During October, the staff decided to use Taylor Publishing Company to publish the 1983-84 Century. The Century Staff also had a new advisor this year. Mr. Ringold did a very find job in advising the staff as to when deadlines were, etc. Greg VanHoven did alot of the photography. Becky Oakley did much of the layout. Tammy Plants and Mary Ivie helped write the copy. During the first semester, Missey Herblet and Sharyl Kramer worked on selling ads and Kim DeYoung took that job during the second semester. It was a small, inexperienced staff, but they all worked hard to create an exceptionally fine yearbook.

DRIFTS IN TIME

Homecoming 1983 was held on October 14, 1983 in the East Elementary building gym. This Homecoming was different in two ways. First, it was held the night of the football game and second, the music was provided by WZZR radio instead of a live band.

During the halftime ceremonies Tammy Humphrey and Dale Wirth were crowned as king and queen. Senior representatives were: Kim Slagter, Mike Smits, Tracy Grooters, Steve Nevseta, Chris Medendorp, and Dave Tanis.

The underclass representatives were Dan Venema and Chris Peterson (Juniors); Tami Inman and Dean Conrad (Sophomores); Kari Chirco and Don Butcher (Freshmen).

Homecoming 1983 was a great success as the Rockets defeated Lee High School by the score of 34-6.

FLORIDA OR BUST!

CLASS OF 1984

The Senior Class made the annual trip to Florida during spring break, April 1 — April 8. The trip started with a bus ride to Detroit where we boarded our plane for the trip to Tampa. The class was greeted in Tampa by warm air, sunshine, and Dallas Phillips, our travel agent.

We spent the first day at Busch Gardens, the next day was a free day, and on Tuesday we visited Epcot Center. Wednesday was another free day and on Thursday we toured Walt Disney World. We also took in Wet-n-Wild and Sea World.

The trip was certainly a highlight we shall never forget. The sightseeing and exciting places certainly provided us with a memorable week.

The Class of 1984 would like to express their appreciation to Mr. and Mrs. Robert Plants and to Mr. and Mrs. Harold Weemhoff for joining us on the trip. They were great!

SPIRIT

Spirit week, February 13-17, was filled with many exciting activities. Although there was no competition this year, the halls were very well decorated. Everyone worked together so each grade could build up the pride in their class.

Spirit week was a time to show school spirit for athletics. The wrestling team soared against Hudsonville Unity Christian on the 16th, the score was 45-15. They also took a third at the district competition the following Saturday. The basketball team was victorious in their last Friday home game, a very exciting win (48-44) over Lee.

The pep assembly, Friday, had the whole student body involved. It pumped everyone up for the "Big Game." All the classes put on interesting skits. The Pom-pon squad performed their finale' routine and the 1984 basketball teams were honored for their great winning efforts.

JUNIOR-SENIOR PROM
MAY 5, 1984

This years prom was a great turnout. Many people showed up and enjoyed themselves very much. The night was filled with dancing, to the music of Joshua, visiting with others, and admiring others in their formal wear. The prom committee did a fine job of organizing and making it a nice atmosphere for everyone. The theme "Stairway to Heaven" was well picked for our prom, because everyone agreed that prom should be just like heaven. Next years prom will be even better, if we have the cooperation and interest of everyone who helped to make this years prom a excellent success.

For 1983 the team set lofty goals prior to the season and we feel that we did very well in achieving these goals. We were able to amass an 8-1 record and as the 47th Kelloggsville Rocket team, we feel fortunate to have been able to add the 200th and 201st victories to our school's great football tradition. The teams had a four word chant used in our spirit breakdown huddles that was our motto and creed: Intensity, Pride, Tradition and Teamwork. It was this motto along with our goal of team discipline, never say die attitude, humility in victory and not blaming others in defeat that brought this team to its great position."

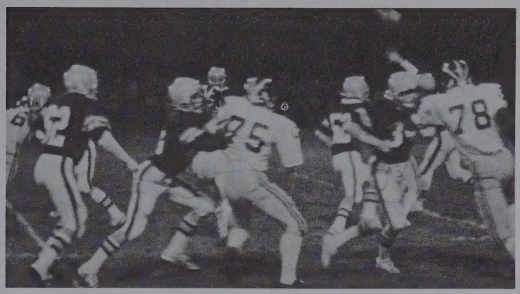
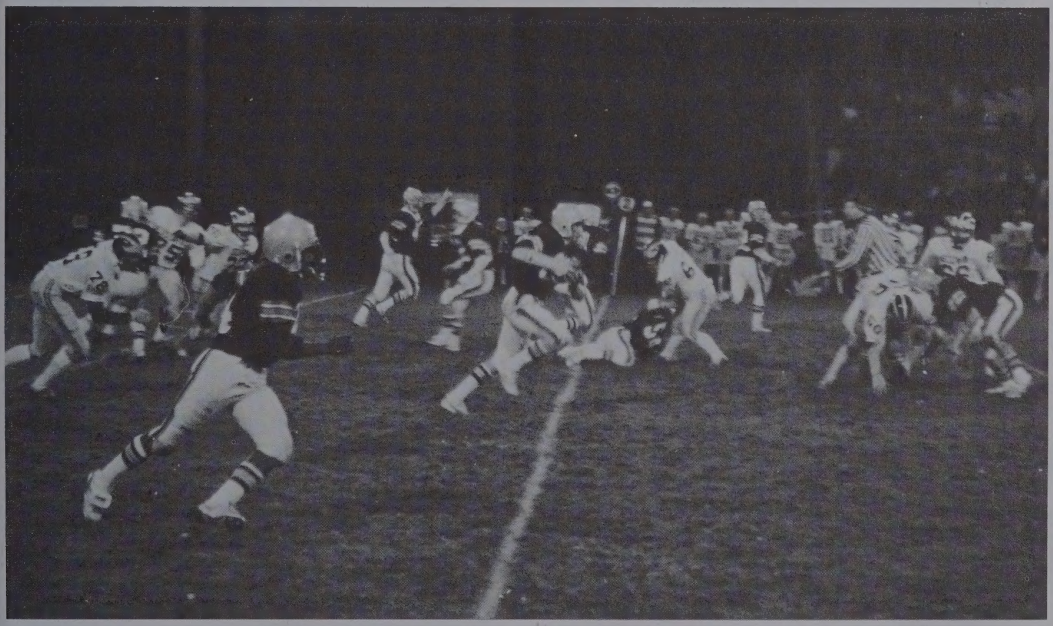
The Pom Pon squad gathers to open the field up to the team. Here comes the cheerleaders! The crowd jumps to their feet as the Rockets charge through the human tunnel to start their last game of the season!



The strong Rocket offensive line holds off the rushing Godwin defense giving the QB enough time to throw. The line was not the biggest in the OK-Blue but they used everything they had to keep out the surging defense, and usually they succeeded.

The explosive Rocket offensive is in motion!

As the Rockets were clicking together, they made their way up field.



ROCKETS WIN 200TH
1983 VARSITY FOOTBALL SEASON

Preseason Expectations: The team was very young and inexperienced. With only a handful of lettermen returning, the team was hurting for depth. This years preseason scrimmage with Fruitport, Wayland, and Allegan gave us at least one good thing to be confident about, a strong defense. The offense proved to be inconsistent, hitting highs as well as lows.

Game time! In our first game at **COOPERSVILLE** everything looked against us: Eric Miller was hurt; preseason picks were for Coopersville, etc. Instead of thinking as the home team crowd was we set our minds on winning the game. "We ended up blowing them off the field!" Mike Smits, Dale Freas, and Dale Wirth all had big nights on offense as well as defense.

Comstock Park, home at last! But we shouldn't have counted our lucky stars so soon. As coach Unseld put it, "We ran into a BUZZSAW!" We had three drives bogged down and failed to score twice from inside the 15 yard line. Our running game was weak and even though Dan Snyder and Jim Stortz had a good game in the air, we were unable to score.

In **Hudsonville** our offense finally got on track with 262 yards on the ground. The defense had a big night with Schutte intercepting for a touchdown.

Who ever said turn-overs will kill you doesn't know how close they were! Against **Middleville** we compiled an ugly total of 6 fumbles. Fortunately for us we had a good night on defense with Smits having nineteen tackles and Schutte 7. The big play came with Schutte scrambling seventy three yards to set up a touchdown by Freas. That kept us in the game.

On to **Byron Center!** B.C. came out tough at first which forced us to go to the air against them. The air game went 9 for twelve, 177 yards and one touchdown. As Coach Unseld would say, "We broke their back and had it our way for the rest of the game." Our ground game ended with 220 yards rushing as we averaged 5.5 yards per carry and 18.5 yards per pass completion. All in a good night.

Homecoming with all of its seriousness was interrupted by a big win over **Lee.** A large crowd watched as the Rocket team blasted past the Rebels for 5 touchdowns, two by Miller and two by Stortz. The rushing yardage alone came to a staggering 314 yards!

I'm sure everyone has heard of running backs having extraordinary games every now and then, right? Well when the rocket machine flew into **CALEDONIA** the crowd witnessed a running back gone wild! Senior back Eric Miller, in just 13 carries, rushed for a nice sum of 251 yards, and 5 touchdowns! With Eric running a rampage on offense, Caledonia could hardly say the same as the defense lead by Greg Carmer and Mike Smits shot them down.

Hamilton, the land of giants, This was the game in which we were last in the yardage dept. First place went to the ambulances, second Hamilton. Even though we suffered alot of injuries we escaped with a victory on Dale Wirth's 23 yard field goal with 21 seconds remaining. Coach Foster was quoted while leaving, "Boy, its good to get out of here alive!"

Godwin, This is alway an important game here at Kelloggsville. The winner gets the bragging rights on Division. As the game progressed we were unable to establish any consistency. We only had 205 total yards in the game. We were lucky to have good punting though, which didn't offer Godwin much luck at all. As the clock wound down, and things looked very bleek for us, Coach Unseld used his time outs wisely and the offense was given 53 seconds for one last try for a victory. We were on our own 15 yard line and with no time outs left. The Rocket air-game was put in motion, eating up a quick 64 yards and giving Mike Dyer 6 seconds for a field goal try of 39 yards. The snap was good, the hold was set, the kick, the ball was up, it was good!!

By winning eight games this season, the 1983 varsity football team achieved what no other Kelloggsville varsity football team has ever achieved. And with the Hamilton victory, Kelloggsville was proud to have won its 200th victory in the history of Kelloggsville Football! Going one step further, the team went on to win its 201st victory against Godwin. Winning has become a tradition here at Kelloggsville. We hope to carry on this tradition next year and into the years ahead.

"Because this was my first year as golf coach, I really didn't know what to expect from the team. It was a pleasant experience because I got to see the students in a different situation. The overall record of the team does not indicate a successful season, but all participants had positive experiences. Rob Reneker was named All-Conference Honorable Mention, and the team finished 11th, out of 17 schools, in the State Regional Meet (only 8 strokes from 7th). Overall the team showed good sportsmanship and good golf courtesy in conducting themselves in a manner which would reflect a positive image of the school."

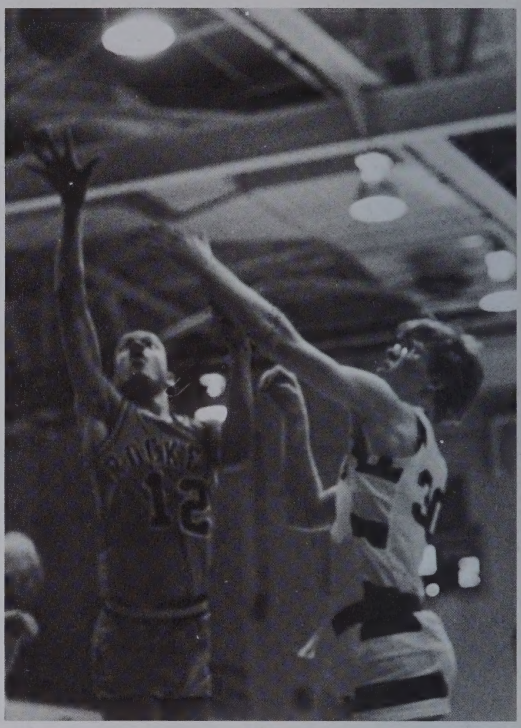
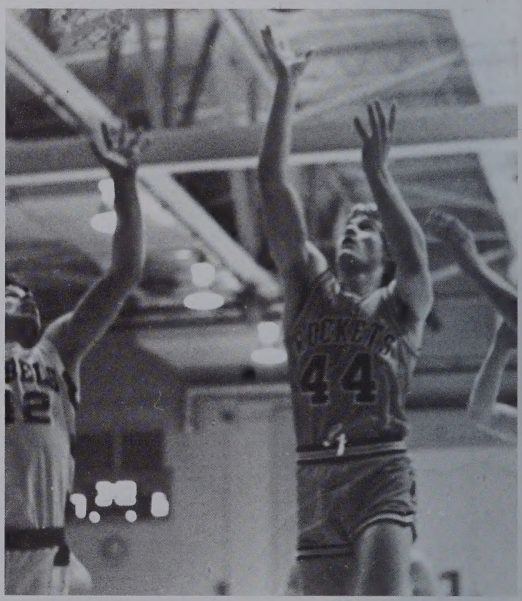
VARSITY BASKETBALL

The 1983-84 Rocket basketball team was an exciting and entertaining team. Some very close losses kept the team from a great record. The team always gave 100% effort. We will miss our seniors who gave us many thrills. The prospects for next year are very good.

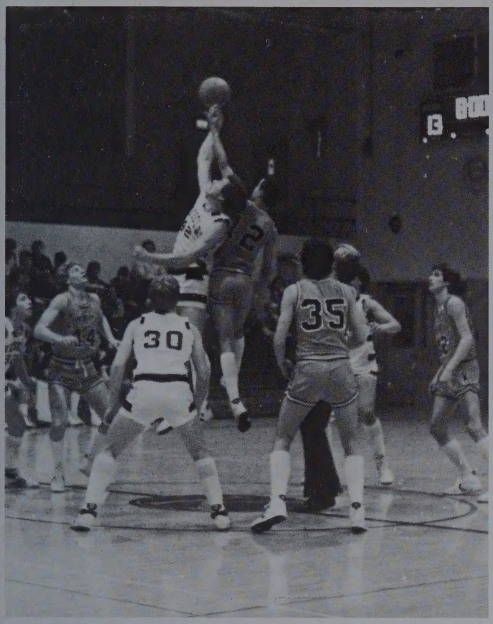


Dave Tezeno beats his man to the basket and scores two points!

Dan Snyder shoots an important free throw. Dan was first team all conference and averaged 17 points per game.



Senior Mike Smits completes the fast break with a strong layup.



All eyes are on the ball. Who will win the tip?

The varsity volleyball team was very young this year: 3 seniors, 5 juniors, 3 sophomores, and 1 freshman.

We played much better volleyball this year and our team and individual skills are greatly improved from the recent past. I feel that given an increasing skill level that we could challenge for the top spot in the league next year.

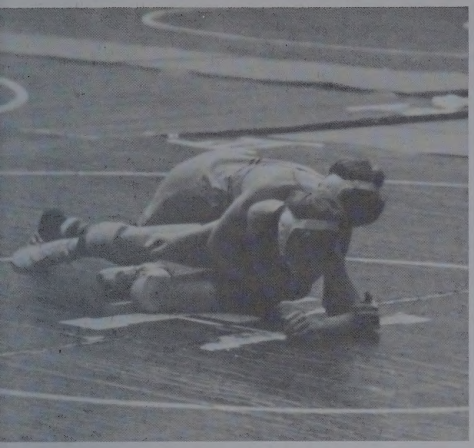
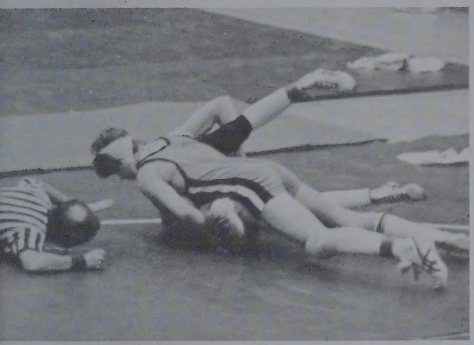
ON THE MAT

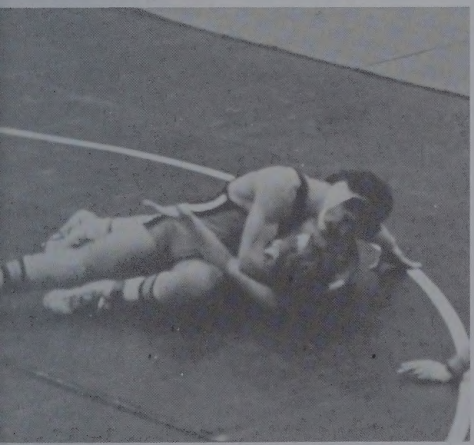
Here's a common sight, a Kelloggsville wrestler escaping!



A take down by a Rocket!



hroughout the year senior Mark Riemersma had many oments like this.



nior Mike Niemtschk takes his man to the mat for the pin. ike had a very successful year for the team compiling a record 43-6 placing 1st in the conference and district meets.

The wrestling team had a rebuilding year, with only two seniors: Co-Captains Mark Riemersma and Tony Martin. The team had a respectable 9-9 dual season record. We had some very good individual talent breaking eight individual school records. The highlights of the year would have been our 3rd place finish in the 18 team Kent County Classic, the third place finish in districts (with three district champions), and Fraser Brown and Mike Niemtschk both placing fourth in the state. Mike was the team's most valuable. He won first place in six tournaments. He broke three school records while tying one. The most improved wrestler for 1984 was Mike Dyer. Mike compiled a record of 22-16-2 with 21 pins. Mark Riemersma set a record for most over all pins with 50. Scott Gooch broke the record for most novice wins with 22. Next year's team will have eight seniors starting along with some very talented underclassmen. It should be a great year.

CHEERLEADING

Varsity

The 1983-84 Winter Cheerleading squad made history at K-ville. For the first time ever, the squad had male members. Three ambitious and courageous young men tried out and made the squad. They were Dale Wirth, Rob Reneker, and Wayne Wu.

The addition of males to the squad was a pleasant surprise to coaches Barb and Jan Crowley, themselves former cheerleaders at K-ville. Fans from Kelloggsville and opposing schools were surprised at first, but accepted them quickly. The squad represented the school well, leading the crowd in cheers and in giving the team moral support.

The 1983-84 Pom Pon squad had a very successful year. The squad, consisting of 7 seniors, 7 juniors, and 4 sophomores, competed at two clinics, one at Ottawa Hills, and the other at Godwin. At Ottawa Hills, the squad took second place in speed learning. At Godwin, they took second place in originality and third in speed learning. The squad also took first place at the class C regional competition at West Catholic. That qualified them for the state competition in Detroit, where they placed third. The squad, coached by Shirley Remick and Deb Rathlein, entertained us at the home football and basketball games, for which we are all grateful.

A good turn out by underclassmen and leadership by veterans made for a rewarding season. Close meets and three school records helped to make for an exciting time. In the 220 dash, the school record was tied by Eric Miller, who also qualified for the state finals in that race. The other two records were set in both the boys and girls two mile relay. The senior teammates will be missed by all, but we are looking forward to next season with the hard working and progressing underclassmen.

This unmistakable pitching form belongs to none other than Jeni Crosby. Jeni, only a sophomore, was the main pitcher for the team this year. Jeni won eight games this year and was Honorable Mention All-Conference.

Junior Joy Coffman provided a fair amount of the Rockets hits this son. Here she demonstrates her batting technique.

The 1984 varsity softball team won five games in the O-K Blue, the best record in several years. They took second place in the Boosters Tournament. And, with the help of a no hitter by Jeni Crosby, beat a visiting Caledonia team 10-0 to qualify for the district tournament at Kellogg-Woods. The over-all record was 8-14. Jeni was selected all-conference honorable mention. There were no seniors on this year's team which makes everyone eligible to return in 1985. The future looks very bright for Kelloggsville.

JV BASEBALL

The 1984 J.V. baseball season started on a losing note, but improved as the season went on. We won three games; all the wins came at the end of the season. The final Hamilton game being out best effort after losing to them at the beginning of the season. A large number of the starters were freshmen and will make a strong nucleus for next years team. We are sending to the varsity a number of players that will fill in for graduating seniors.

The team had a second place finish in the regional, which qualifies them for the state finals held in Holland. They finished tenth in the state meet. Senior Greg VanHoven played number one singles and set a number of records at that position. Greg was also the first Kelloggsville player to win #1 singles in the conference meet. He also made it to the semi-finals of the state meet. While Greg VanHoven was winning his record 23 matches, Greg Salisbury was helping the team at third singles by winning at the state meet and setting a 14 win record at that position.

Mike Smits and Dan Snyder tied for male athlete of the year.. Both won letters in football, basketball, and baseball. Both were all-conference in two sports. Congratulation to three super athletes!

SPECIAL AWARDS

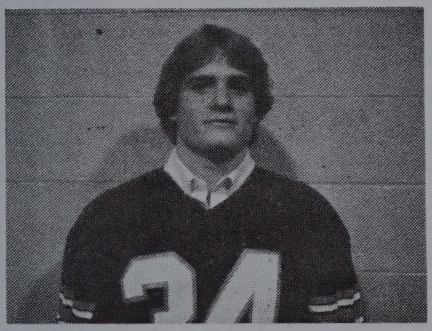
HUNNES AWARD

Tammy Plants is the winner of the 1984 Frank Hunnes Award. During her athletic career Tammy won letters in tennis, volleyball, and softball. She was also an outstanding citizen and an honor student.

FORMSMA AWARD

Bryan Schutte is the winner of the 1984 Russel Formsma Award. Bryan earned nine varsity letters at Kelloggsville, and was all-conference in baseball for three straight years. Bryan was a fine student and an outstanding citizen. He also received the John Bos Scholarship from Grand Rapids Junior College.

Smits Named To All State Team

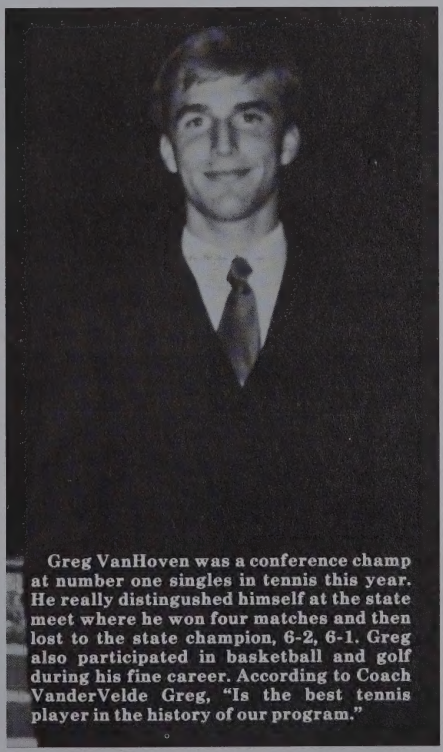


Mike Smits

Mike Smits was elected to the first team - All State Class C - football team as a linebacker by a panel of broadcasters and writers. Mike is the first Kelloggsville football player so honored. Mike, the son of Roger and Rose Smits, has taken the college preparatory sequence at Kelloggsville and has a fine grade point average. He is being recruited by many colleges from around the State of Michigan to continue his studies and football on a scholarship.

Mike won all conference and Grand Rapids Press all area honors. He also finds time to play basketball and baseball.

Congratulations, Mike, and good luck in your future.



Greg VanHoven was a conference champ at number one singles in tennis this year. He really distingushed himself at the state meet where he won four matches and then lost to the state champion, 6-2, 6-1. Greg also participated in basketball and golf during his fine career. According to Coach VanderVelde Greg, "Is the best tennis player in the history of our program."

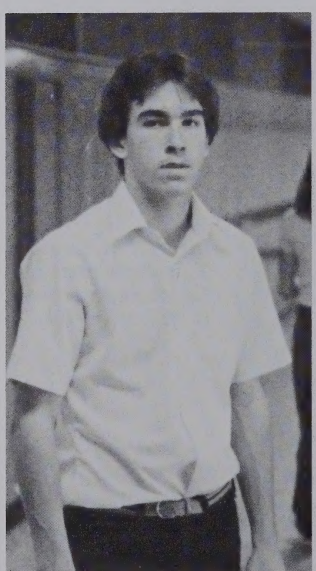
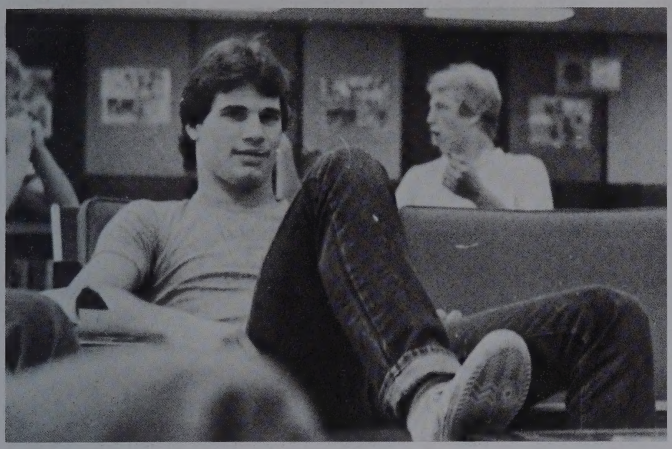
My work is never done.

Wow! What talent.



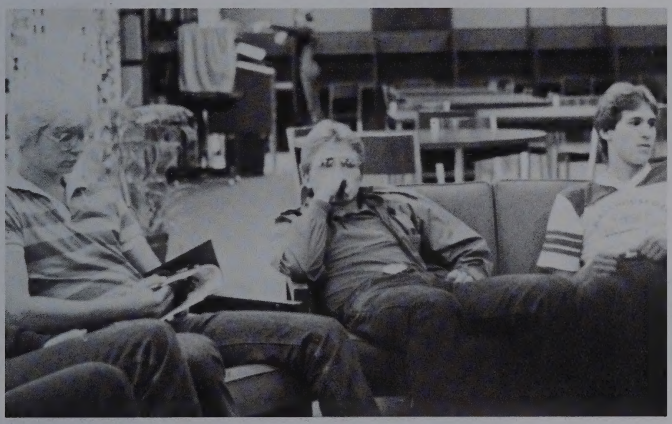
Run that by me again.

Yes, I am holding this window up.

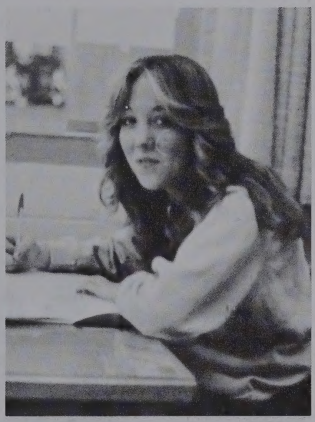


What do you want?

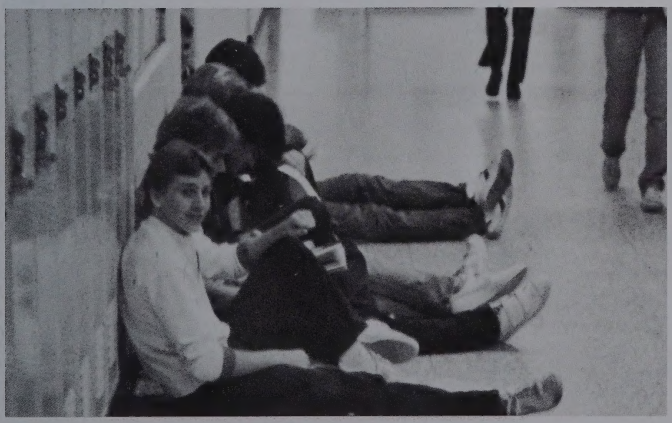
Don't look at me like that.



This place is boring.



Someday, I will be a real secretary.



Yes, sometimes we Do study!

This is nothing like art class.

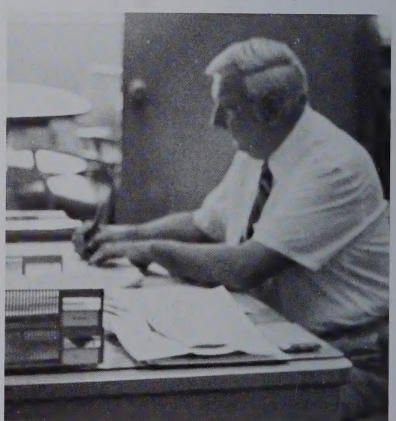
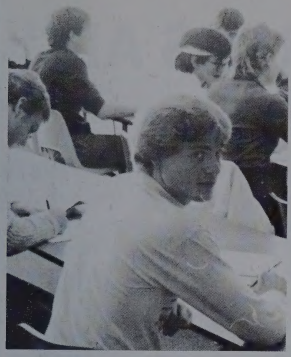
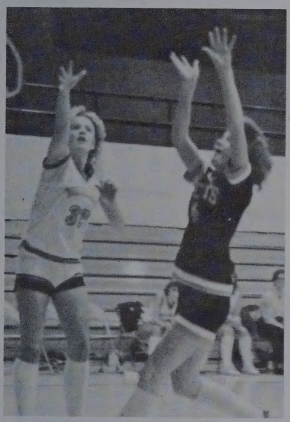
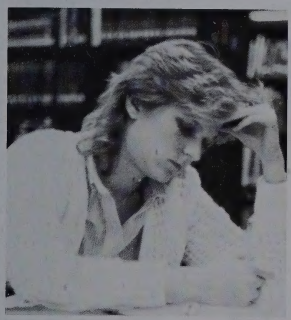
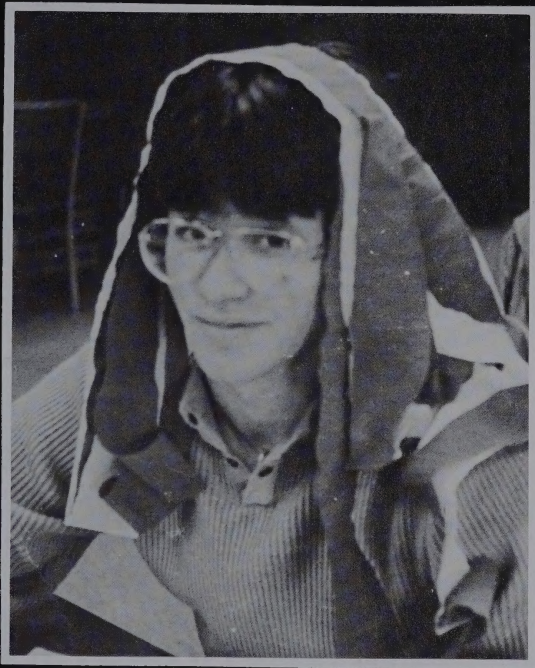
SENIORS HAVE SEEN IT ALL











STUDENT LIFE

"THE STUDENT CONGRESS AD"

FOR SALE: Used Student congress members to fill officers positions. Fair running condition, but their minds are a bit shot from their weekly, hour long meetings.

ITEM: 5 Freshmen FOR SALE, Helen Wu, Brian Eriksen, Dave Byrne, Jim VanWagoner, hot out of junior high school without much experience. These babies sell like hot cakes because their minds haven't **yet** been corrupted, and with our year end sale, you can buy one Freshmen and get one free!

ITEM: This years sophomore stock leaves much to be desired. With only two, Dean Conrad and Todd "No R" Tygeson, having two years experience in the Congress, this class can't offer much assistance in any areas. The other three are Nancy Ayuso, Janice Wymer and Christy Nevseta. (A fine group of triplets at a low, low price!)

ITEM: I've got five juniors to move out of my storeroom to make room for new stock. I'm almost willing to give these ones away! After 3 years of high school and gritting their teeth, their minds (and teeth) are shot! Barb Mains, who has only been on the Congress one year, Kelli "I can't be late" Harley, Jim Stortz, the one sleeping in the front row, Rick VanderWal and his Shadow. (The big guy, you know, John Boy, yea, that's him, Tom Richer!)

ITEM: Now we get to the useless junk. These four (I had five but I lost one someplace.) are the seniors. The president of this run down clan is Greg VanHoven. (This one wouldn't be so bad but he seems to have lost his socks somewhere and has to wear his shoes without them!) Roger Nickles and Kim DeYoung are Inseparable at meetings, so, they come as a pair. And if you buy a senior now, even Kim Slagter (Whose mind must have flown south for the winter because she thinks the auditorium is the place with all the bleachers), I'll throw in a Board-Rep. (Robert Hall) free!

I'm not saying that I can fill any officer's position for you, but HEH, what can you expect with Mr. "RUSH, RUSH" Sisson as their advisor!??

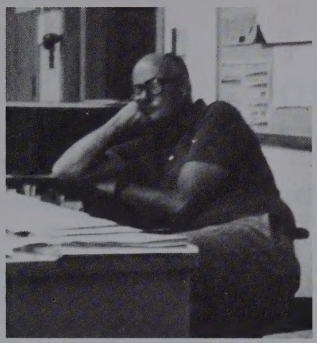
CLASSROOM



The **classroom** is a place to learn, to be educated. It is a place where teachers give their students valuable instruction in a variety of subjets. It is a place where young minds are molded, a place where an education is received. The classroom can even be a place for fun.

Each year, graduates face the challenge of making choices which will determine the paths their futures will take. It's a critical choice, but only one of hundreds of important choices all of us must make throughout our lives. The right to make such choices is a privilege only we who live in the free world enjoy. Most of humanity is still being told how their lives must be lived. For them, freedom of choice does not exist. We should think about that once in awhile. The right to make choices is the quintessential element of freedom – and freedom makes all the difference.

LIBRARY

The **library** is the main resource center for students in a high school. But the library can also be many other things. It can be a place to catch up on local, national, and international events through the many magazines and newspapers located there. It can be a place to relax or converse with a classmate. It can be many other things also, but it will always be a library.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

PEP ASSEMBLY

Pep assemblies are held to help raise the spirits of our athletic teams and to get students enthused about the upcoming athletic events. They are held to honor our athletes and to give recognition to those who deserve it. Pep assemblies are a fun time for students as well as the faulty. Games are played, skits are performed, and cheers are yelled. Pep assemblies show the unity in a school, the pride the students have for the school, and the school's spirit.

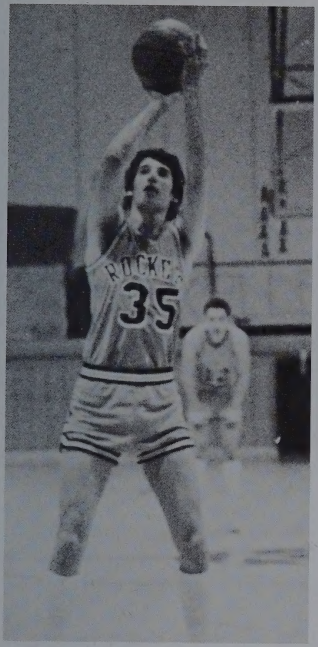
SPORTS



Sports are enjoyed by many people at Kelloggsville. Involvement in sports is high, whether it be playing, supporting our teams, or just watching the action. Athletes and coaches work hard to be prepared for the big game, meet, or match. The fans look forward to the night when they can see their teams in action. Everyone watches in anticipation as our teams fight on toward victory. But whether we won or lost, it was fun anyways.
